## Colour on demand

Le lampade delle collezioni Cubismo, Assolo e Sestessa possono essere colorate a richiesta in tutte le tonalità cromatiche RAL e NCS (Natural Colour System). **Assolo**: il colore ricopre l'intera superficie, la componente riflessa non condiziona l'effetto luminoso. **Cubismo**: per una luce neutra si può richiedere solo la base porta-led colorata (Cubismo bicolore), oppure per una luce d'atmosfera influenzata dal colore si può richiedere tutta la lampada colorata (Cubismo monocolor). **Sestessa**: per una luce neutra si può richiedere la lampada con la parte interna bianca e l'esterno colorato (Sestessa bicolore). Per una luce d'atmosfera influenzata dal colore si può avere tutta la lampada colorata (Sestessa monocolor). Per informazioni relative ai prezzi rivolgerci ai nostri Rivenditori.

The colour schemes for the luminaires in the Cubismo, Assolo and Sestessa collections can be customised in all the shades available in the RAL and NCS (Natural Colour System) listings.

**Assolo**: the colour covers the entire surface and the part that is reflected makes no impact on the lighting effect. **Cubismo**: if what you need is neutral light, you can specify that only the LED holder base is coloured (Cubismo bicolore), while the best way to achieve atmospheric lighting influenced by a colour is to order the luminaire coloured throughout (Cubismo monocolor). **Sestessa**: the option for neutral lighting here is the combination with the inner side of the luminaire white and the outer side coloured (Sestessa bicolore). Alternatively, order the luminaire coloured both inside and outside (Sestessa monocolor) for atmospheric lighting influenced by colour. For information on prices please contact our Retailers.

Die Leuchten der Kollektionen Cubismo, Assolo und Sestessa sind auf Wunsch in allen RAL- und NCS (Natural Colour System)-Farbtönen erhältlich. **Assolo**: Die Farblackierung wird auf die gesamte Leuchtenoberfläche aufgetragen, da die Reflektionsfläche die Lichtwirkung nicht beeinflusst. **Cubismo**: Für eine neutrale Lichtwirkung kann man allein den farbigen Fuß (Sockel des LED-Leuchtmittels) mit Sonderlackierung bestellen (Cubismo bicolore). Ist dagegen ein farblich getöntes Atmosphärelight im Raum erwünscht, kann man die komplette Leuchte mit Sonderlackierung anfordern (Cubismo monocolor). **Sestessa**: Für eine neutrale Lichtwirkung kann man die Leuchte mit weißer Innenfläche und farbiger Außenfläche bestellen (Sestessa bicolore). Ist dagegen ein farblich getöntes Atmosphärelight im Raum erwünscht, kann man die komplette Leuchte mit Sonderlackierung anfordern (Sestessa monocolor). Für weitere Informationen über Preise bitte unsere Fachhändler kontaktieren.

Les lampes de la collection Cubismo, Assolo et Sestessa peuvent être colorées sur demande dans toutes les tonalités de la gamme de couleurs RAL et NCS (Natural Colour System).

**Assolo**: la couleur recouvre toute la surface, la partie réfléchie ne conditionne pas l'effet de la lumière. **Cubismo**: pour obtenir une lumière neutre, on peut demander seulement la base avec le LED colorée (Cubismo bicolore), ou pour une lumière d'ambiance influencée par la couleur, on peut choisir la lampe entièrement colorée (Cubismo monocolor). **Sestessa**: pour obtenir une lumière neutre on peut demander la lampe avec la partie intérieure blanche et la partie extérieure colorée (Sestessa bicolore). Pour une lumière d'ambiance influencée par la couleur, on peut choisir la lampe entièrement colorée (Sestessa monocolor). Pour renseignement concernant les prix, s'il vous plaît adressez-vous à nos Revendeurs.

Las lámparas de las colecciones Cubismo, Assolo y Sestessa pueden ser del color que prefiera el cliente, en todas las tonalidades cromáticas RAL y NCS (Natural Colour System).

**Assolo**: el color cubre toda la superficie, la luz refleja no condiciona el efecto luminoso. **Cubismo**: para una luz neutra se puede pedir sólo la base del porta-led coloreada (Cubismo bicolor) o bien, si se desea una luz de atmósfera influenciada por el color, se puede pedir que el color cubra toda la superficie de la lámpara (Cubismo monocolor). **Sestessa**: para una luz neutra se puede pedir la lámpara con la parte interna blanca y la parte externa de color (Sestessa bicolor). Para una luz de atmósfera influenciada por el color se puede pedir que el color cubra toda la superficie de la lámpara (Sestessa monocolor). Para informaciones relativas a los precios, por favor, contactar con nuestros Revendedores.
