The prices and terms of payment stated in the order confirmation shall apply. To all prices and all extra expenses, the seller adds the legally applicable value added taxes. Should the seller's costs increase by the time of delivery, the prices can be recalculated on a pro rata basis. Prices, terms and dates of delivery stated shall apply net ex works. Information on availability as well as delivery terms and dates are provided as a point of reference only and are not binding. Apart from that Wever & Ducré's General Terms and Conditions (www.weverducre.com/en/Downloads) shall apply and serve as a contractual basis to all contracts between the parties. Alteration or modifications according to misprints and/or typing and printing errors remain reserved. Prices are valid till the publication of a new price list.

The prices and terms of payment stated in the order confirmation shall apply. To all prices and all extra expenses, the seller adds the legally applicable value added taxes. Should the seller's costs increase by the time of delivery, the prices can be recalculated on a pro rata basis. Prices, terms and dates of delivery stated shall apply net ex works. Information on availability as well as delivery terms and dates are provided as a point of reference only and are not binding. Apart from that Wever & Ducré's General Terms and Conditions (www.weverducre.com/en/Downloads) shall apply and serve as a contractual basis to all contracts between the parties. Alteration or modifications according to misprints and/or typing and printing errors remain reserved. Prices are valid till the publication of a new price list.

The prices and terms of payment stated in the order confirmation shall apply. To all prices and all extra expenses, the seller adds the legally applicable value added taxes. Should the seller's costs increase by the time of delivery, the prices can be recalculated on a pro rata basis. Prices, terms and dates of delivery stated shall apply net ex works. Information on availability as well as delivery terms and dates are provided as a point of reference only and are not binding. Apart from that Wever & Ducré's General Terms and Conditions (www.weverducre.com/en/Downloads) shall apply and serve as a contractual basis to all contracts between the parties. Alteration or modifications according to misprints and/or typing and printing errors remain reserved. Prices are valid till the publication of a new price list.

The prices and terms of payment stated in the order confirmation shall apply. To all prices and all extra expenses, the seller adds the legally applicable value added taxes. Should the seller's costs increase by the time of delivery, the prices can be recalculated on a pro rata basis. Prices, terms and dates of delivery stated shall apply net ex works. Information on availability as well as delivery terms and dates are provided as a point of reference only and are not binding. Apart from that Wever & Ducré's General Terms and Conditions (www.weverducre.com/en/Downloads) shall apply and serve as a contractual basis to all contracts between the parties. Alteration or modifications according to misprints and/or typing and printing errors remain reserved. Prices are valid till the publication of a new price list.

The prices and terms of payment stated in the order confirmation shall apply. To all prices and all extra expenses, the seller adds the legally applicable value added taxes. Should the seller's costs increase by the time of delivery, the prices can be recalculated on a pro rata basis. Prices, terms and dates of delivery stated shall apply net ex works. Information on availability as well as delivery terms and dates are provided as a point of reference only and are not binding. Apart from that Wever & Ducré's General Terms and Conditions (www.weverducre.com/en/Downloads) shall apply and serve as a contractual basis to all contracts between the parties. Alteration or modifications according to misprints and/or typing and printing errors remain reserved. Prices are valid till the publication of a new price list.

The prices and terms of payment stated in the order confirmation shall apply. To all prices and all extra expenses, the seller adds the legally applicable value added taxes. Should the seller's costs increase by the time of delivery, the prices can be recalculated on a pro rata basis. Prices, terms and dates of delivery stated shall apply net ex works. Information on availability as well as delivery terms and dates are provided as a point of reference only and are not binding. Apart from that Wever & Ducré's General Terms and Conditions (www.weverducre.com/en/Downloads) shall apply and serve as a contractual basis to all contracts between the parties. Alteration or modifications according to misprints and/or typing and printing errors remain reserved. Prices are valid till the publication of a new price list.

The prices and terms of payment stated in the order confirmation shall apply. To all prices and all extra expenses, the seller adds the legally applicable value added taxes. Should the seller's costs increase by the time of delivery, the prices can be recalculated on a pro rata basis. Prices, terms and dates of delivery stated shall apply net ex works. Information on availability as well as delivery terms and dates are provided as a point of reference only and are not binding. Apart from that Wever & Ducré's General Terms and Conditions (www.weverducre.com/en/Downloads) shall apply and serve as a contractual basis to all contracts between the parties. Alteration or modifications according to misprints and/or typing and printing errors remain reserved. Prices are valid till the publication of a new price list.
