INTRODUCTION TO THE MUUTO PRICELIST

The Muuto Price List is a complete and comprehensive tool that contains all relevant information to formulate an order. On this page, you will find important product and order information. Please contact Muuto Customer Care or your Muuto Sales Manager if you need further information.

Prices

Contract prices are stated excl. VAT and ex. works.
Prices are valid from 01.09.2024.
All prices are subject to change.

Warranty

According to Muuto's general terms of sale and delivery:
10 years on all BIFMA-tested products.
5 years on all other products.

Any alteration or modification to the products (incl. certification through 3rd party) are not covered by the warranty.

Discontinued Products

Products marked with *** will be discontinued when out of stock.

Customers Own Material (COM) & Customers Own Leather (COL)

Price includes the cost to upholster the product using the customer's own material. The cost of the material is not included in the price. All COM/COL requests are subject to testing and approval. Lead times stated in the price list are based on when the factory receives the material.

Test Samples

Muuto offers sourcing of non-standard textiles for upholstered products. Muuto will provide pricing on products in nonstandard textile and confirm if a textile is subject to test upholstery. Prices for test sample products are stated in the pricelist under each product. If textile is provided to Muuto, Muuto will invoice COM price as defined in the price list and potentially the price for the test upholstery. Lead-time of production is confirmed by Muuto after test approval. Confirmed lead times are from reception of textile.

MOQ

Minimum Order Quantity.

MOQ Fee

A MOQ fee is applied when the stated MOQ is not met.

Start Up Fee

The cost to produce a product in a special color and/or non standard size.

Ready-To-Ship
